

# X-Rays

## Introduction

Sing "Them bones them bones" (from "[bones](#)" session) again.

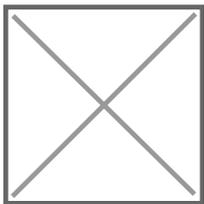

## Activity 1

Find the x-ray images (see attached files) around the house and assemble them into a skeleton.

Curriculum areas: S12b

## Activity 2

Put chocolate sprinkles or cocoa powder on a light box ( or a clear plastic tub with a light inside it) and use it to make "x-ray" images of shapes, letters and numbers.

Curriculum areas: L08a, L11a

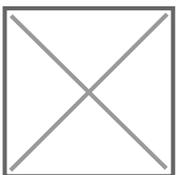

## Lunch Snack

Make vegemite toast with thin sticks of cheese on the side, and make x-ray images with the cheese.

Curriculum areas: S13a, S13b, S13c

## Activity 3

Trace around your hands and feet and rip strips of white paper to stick on to make an "x-ray". Attach these to the body outline anatomy model.

Curriculum areas: M08b, M08c
